Ind-Texpo 2020

The Cotton Textiles Export Promotion Council of India (TEXPROCIL) is organizing the virtual edition of its Reverse Buyer Seller Meet (RBSM) called “**Ind-Texpo 2020**”, an exclusive virtual B2B exhibition of textiles. The virtual event will be held from **14 - 18 September, 2020** and is supported by the Ministry of Textiles and the Ministry of Commerce, Government of India.

2. The Virtual “Ind-Texpo 2020” is a specialized B2B fair in the Indian textile sector, offering a one-stop destination for worldwide importers to source Indian Textiles from fibres to home textiles and fashion. The exhibition will present on display textiles like home textiles, fabrics and yarns as well as cotton-rich blended textiles.

3. The five days of Virtual Exhibition will be held on an EU complaint GDPR (General Data Protection Regulation) platform which allows for safe and secure business interactions. With features like Private Meeting Rooms, Personalized Schedules and Online Chats available on the virtual platform for overseas buyers and Indian sellers, business interactions will be held seamlessly in a secure and safe environment.

PRODUCTS ON DISPLAY INCLUDE:

- Raw Cotton
- Cotton Yarns and Blended Yarns (50% or more cotton)
- Grey and Processed (doubled, gassed, mercerized, dyed, melange)
- Woven and Knitted fabrics, Grey and Processed
- Home Textiles (Bed linen, Kitchen linen, Bath towels and Other linen)
- Technical textiles (Protective, Performance, Medical and Geo textiles)

4. Buyers who are interested in sourcing textiles from India can register their profile on the [virtual platform](#). Based on requirement, it is also possible to interact with the registered Indian suppliers and pre-schedule B2B meetings on agreed time slots during the days of the exhibition.

5. A Step-by-Step Guide which enables the interested buyers and importers to navigate through the Ind-Texpo website as well as chat and pre-schedule meetings with Indian suppliers is available on the following link: <https://ind-texpo.com/page/visitors-guide>
