

Statement by Official MEA Spokesperson on the India-China LAC Issue in the Weekly Media Briefing (06 November 2020)

As conveyed earlier, both sides continue to maintain close communication at the military and diplomatic levels to achieve complete disengagement along the Line of Actual Control (LAC). The two sides are guided by the leaders' consensus to jointly safeguard peace and tranquility in the border areas. We will continue to maintain the dialogue with the Chinese side to arrive at a mutually acceptable solution to the current situation along the LAC in Eastern Ladakh.
