Virtual Exposition on Pumps, Valves, and Tubes Sector, 29 March to 10 April 2021

The Engineering Export Promotion Council (EEPC), mandated by the Department of Commerce, Government of India, will organize yet another Virtual exposition for the Indian Pumps and Valves Sector.

2. The proposed date for the event is 29th March – 10th April 2021. The Virtual Exposition will be followed by a Virtual BSM (Buyer and Seller Meet) tentatively in the third week of April on a mutually convenient date. Indian manufacturers and exporters of Pumps, Pipes, Valves, and Fittings shall be the exhibitors in the Virtual Exposition.

3. The focus product sectors covered in this virtual expo are:

- Pumps
- Valves
- Compressors
- Pipes and Fittings
- Parts of Pumps and Valves
- Flow measuring meters/gauges

4. We propose to invite buyers to our virtual show from the following business sectors:

- CONSTRUCTION SECTOR
- PROCESS INDUSTRY SECTOR
- INDUSTRIAL AND DOMESTIC WATER SUPPLY SECTOR
- OIL AND GAS SECTOR
- EPC SECTOR
- AGRICULTURAL SECTOR

5. EEPC website: <https://www.eepcindia.org/>

Exhibitor Application form:
